3. Services

The Cashback administration allows consumers who register in the Stage ('Individuals') and record with us ('Record') to receive cash from retailers on the Stage on the follow up transactions ("Retailers"). The supplier must check to suit the cashback bill that it follows the purchase of the Part, it is valid and it will be fruitful, including a "Qualifying Exchange" and we can obtain your cashback (turning out to be "Cashback" accordingly).

Cashback:

If retailers fail to follow an exchange using a global positioning system associated with their partners, such agreements are likely not paid to Price Review Online Pvt Limited at this stage and therefore no due or anticipated cashback is paid to the party as well.

Referral Fee:

The Price Review Online Pvt Limited administration also provides its persons with an interested reference fee when the persons earn a 10% cashback for any new portion of their Cashback as seen on the stage ("Qualifying Reference"). For subtleties, please see Proviso 5 below.

4. Be a Member:

In the event that you are a person of character, (i)you should be 18 (18) years of age or older when used; and (ii) by visiting the Stage or tolerating the terms of use, (ii) you shall address and

warrant to Price Review Online Pvt Limited that you are 18 (18) years of age or older and have the right to use it, the authority and the skill. You need to register with the Cashback Authority using correct and up-to-date information - including your right name, address and some other subtleties listed. On the off chance that you are asked and given the subtleties of a financial balance or check installment subtleties or other installment mode subtleties in which you wish to receive installments (your "Cashback Receipt Technique"), you (a) guarantee absolute necessity that you are, and remain, fully qualified to use that Cashback Receipt Strategy, and (b) confirm that you want to get cash back. The age and range of 'Delicate Individual Information or Data' is as defined in the Data Technology Act, 2000 as amended from time to time and the associated rules require the express consent of the Customer. By certifying consent to this strategy by clicking on the "I concur with Terms and Strategy" button at the time of registration, the Customer agrees to the data age and range as required under the material legislation.

Note that your Cashback Receipt Technique (for example, NEFT, Check, Gift vouchers or other installment modes as we may present) may have the most or least installment rules that you can get through the Cashback Receipt Strategy.

Note: You should ensure that the e-mail address and portable number that we hold for you is kept up to date and that you have full access to it-we will send you significant messages. If you happen to change your email address or portable number, you should change the subtleties that we hold for you at that point.

5. Referral Fees and Cashback:

After a Part effectively finishes a Passing Exchange, and whenever we have gotten the subsequent Cashback for that Passing Exchange, we pass that Cashback to the Part through his/her Cashback Receipt Strategy.

If it's not too much trouble, note that there are different conditions wherein an exchange with a Retailer may not establish a Passing Exchange, or Cashback may not outcome from it. This is likewise valid for a Passing Reference. The Part comprehends that all exchanges made by him/her are not with us, however with the individual Retailer. Our assist pages with giving data about these conditions. Further, every now and then Retailers may increment or decline the commission paid – in which case the cashback offer represented on our Foundation might be mistaken. As a matter of course, your appropriate exchanges will be acknowledged in line for the commission answered to us by the Retailer, which might be pretty much than the publicized rate. We will not be obligated for any distinction in the normal cashback by the Part and the real Cashback got by the Part.

At the point when we have followed a paying, Qualifying Exchange to your Record, we will acknowledge your Record for a 'forthcoming installment'. When the Retailer affirms the exchange, the installment will be set apart as 'approved' – this can require 90 days or more from the date of the buy. In the event that the products are returned or the deal switched or altered using any and all means, at that point the cashback installment won't be made. Aside from the

Retailer, it is likewise required for the individuals to insinuate Price Review Online Pvt Limited about any profits or trades for which they may have acquired cashback unduly.

Regardless of whether an exchange will qualify as a Fitting the bill for cashback Exchange (counting cashback through a Passing Reference) will be at the sole carefulness of the Retailer or us and the Part comprehends and consents to the equivalent. We will not be considered capable if the Retailer neglects to report a deal to us or doesn't qualify an exchange as Qualifying Exchange. Further, we will not be dependable in the occasion because of some specialized or other mistake we cannot follow a deal back to the Part and doesn't qualify the exchange as a Passing Exchange or a Passing Reference under any circumstances. While we will try to recover non-installments from the Retailer, the choice of ourselves, the Retailer or Retailer's following specialist is conclusive. While we will attempt to recover missing commissions, anytime we hold the privilege not to pursue missing commission claims, especially where no buy has been made. Further, if the Retailer feels that the buy isn't authentic in any capacity whatsoever and we don't get any Cashback for the exchange, the Part won't get any Cashback.

At the point when a Part sends us an enquiry on missing cashback, our framework would check if the client had a leave click from our Foundation for that store on the date referenced by the client. On the off chance that no leave snaps can be followed, at that point we will show a message to the Part demonstrating that they didn't click by means of our site to procure cashback before the deal. All leave snaps to stores are saved in the data set for cross reference on adding cashback values. Where a commission enquiry has been effectively paid by a Retailer, you may get a lower sum than anticipated; this is because of the sums gotten without help from anyone else potentially being lower than the first case. We do permit you to question this with us. On the off chance that a Retailer actually hasn't paid a manual commission guarantee following a time of a half year, at that point we maintain all authority to close the enquiry guarantee. All installment for Missing Cashback is just relevant in occasions where the Retailer pays Price Review Online Pvt Limited .

We maintain all authority to recover or make balance changes as needs be the place where it has been set up that any credit has been applied in mistake. This will incorporate yet isn't restricted to exchanges where the credit isn't really due or installment for any credited exchange has not been gotten from a Retailer or its organizations or potentially abuse or extortion. This can incorporate exchanges which are now set apart as payable or approved in your Record, or for exchanges which have just been paid over to you by NEFT, Check, Gift vouchers or some other installment modes as We may acquaint from time with time. In every single such occurrence, Price Review Online Pvt Limited has the privilege to recuperate all unduly paid cashback which the part isn't qualified for procure, through legitimate procedures.

There are different conditions in which Cashback won't be payable to the Part, and will be relinquished to us, these could be, without limit:

a.where the cashback installment that we get isn't ascribed to a Passing Exchange or connected with a Record, (for example, where the Part isn't signed in to our Foundation when making the important buy)

b.the exchange to which the Cashback relates is dropped after it has been gone into (regardless of whether under the privilege of abrogation that applies to certain deals made a ways off, or something else) the Cashback is credited to a Part or Record that has been:

i.suspended by us under Proviso 9 of this Understanding or for some other explanation;

ii.associated with any deceitful movement or any break of this Arrangement;

Our assist pages with giving data about these conditions.

6. Your Account:

You can pull out your approved cashback when you have at any rate Rs 250 in your Record. In the occasion the Part chooses to close the Record with us, and if at such season of conclusion, the approved Cashback in your record is not as much as Rs 250 then the whole sum will be relinquished. On the off chance that the approved Cashback in your record is Rs 250 or above, at that point you can demand installment of the equivalent by means of any of the Cashback Receipt Techniques. Cashback installments with a money order convey an extra charge of Rs 30. This is charged by our Bank to take care of organization and postage costs. We have the circumspection to relinquish any such approved equilibrium appearing for you for the reasons gave somewhere else in this Arrangement.
